Potential for appreciation or depreciation in the value of the parcel	<u>There is limited potential for appreciation in value.</u>
Potential for development or value-added activities that complement local and statewide economic development.	<u>Very little potential for value-added activity development is present on this parcel.</u>

Recommendation to sell or retain parcel:  
**SELL:X**

RETAIN:

Reasons for Recommendation:

This parcel has a low rate of return to the state school trust and it is a non contiguous isolated parcel that creates additional administrative burdens to the local field office to manage effectively.

Please attach all supporting documentation, such as letters and maps that are of value in making the decision
